**Respect Life Testimonies in Columbia Magazine:**

“This big smile appeared on the screen, and I knew she was my Destiny. The Lord spoke to me that day through my unborn child’s smile, and I for what I am forever grateful.”  
~ Melissa

“If not for Her Choice, our story may have had a much different ending. We are thankful to our friends there and to the Knights of Columbus. Actually hearing and seeing your unborn child makes such a big impact.”  
~Zelia,

“It changed me in the blink of an eye. It did not matter what I had thought before—all that mattered was loving my child and caring about her safety.”  
~Lauren,

“The sonographer showed me the baby’s heartbeat, and I cried tears. At that moment, I knew I needed this little human in my life.”  
~Tayla
