

Attitudes have changed with reaction to the pandemic in many ways.....one being our commitment/response to carrying out times listed to be a Mass Server, a Lector, a Eucharistic Minister, or an Usher. Over my years here, I have tried to impress upon our parishes the PRIVILEGE one had to participate in these special ways. If you cannot be there, find someone or call me....770-1652 and I will follow up finding someone. I have also asked that you **not ask someone to fill in for you who is already on for a ministry.** If you can't find someone, just leave me a message on my phone. THANK YOU to all who are so generous with carrying out their commitments.....special THANKS to our musicians. God bless each of you. Fr. Bob
