**WORLD MISSION SUNDAY...** A faith that is alive helps carry out the theme for this year: **Chat With Pope Francis.**

Christians are truly being called to step up to plate and support and remain steadfast in their Faith, even if it means persecution. We are blessed with the freedoms we have; we must, however, in gratitude and commitment help the Church financially, to support the Faith in challenged areas of the world. Help our Holy Father to reach out to the persecuted in a special way.
