

2017-2018 High School Religious Education:

St. Ann, Humboldt...St. Patrick, Montrose

Dear High School age and Parents:

Attached, you will find the schedule for our Religious Education series for this school year. I do this so you can arrange your work schedules around these dates.

Our year will be exciting with 10th. and 11th. Graders celebrating the Sacrament of Confirmation on Wednesday, October 18th.

*****Our series to cover this year is from Matthew Kelly called
DISCISION POINT.

Each session helps you to encounter these topics and live them out all your life; not just for Confirmation.

Seniors at St. Patrick will again have the curriculum: David Ramsey's Stewardship.

All curriculums will include Church & Sacrament reflections. **Living Rosary...Lenten Prayer & Lenten themes...Holy Day Masses, etc.** will be incorporated into the class times.

Seniors in both parishes:

As your pastor, I ask for your support in several ways:

++++**a great witness by participating in classes.....**
(Confirmation is not Graduation; Eternal Life is!)

++++**be Mass Servers** for all celebrations on Wednesday evenings

++++may be called on to help in other ways when **leadership** is needed.

++++you will never know the **impact** you can and will have on the little ones by your presence. They see you at school, also at church!!!

My prayers are with you, those generous and committed individuals who will lead your classes, your families.

God bless you.

Fr. Bob Krantz
